in total in all regions of the Russia

THE MAIN PROBLEM IS THE LACK OF DOMESTIC EQUIPMENT.
THE DEMAND FOR EQUIPMENT FROM CHINA, TURKEY AND
OTHER PARTNER COUNTRIES IS INCREASING

WHY IS ECWATECH WORTH EXHIBITING?

THE INDUSTRY'S LARGEST EVENT, A POINT OF ATTRACTION FOR ALL WATER INDUSTRY SPECIALISTS

- Direct contacts of thousands of specialists from municipal sector and other industries
- Demonstration of new products, innovations and technologies on the demanding market
- Expansion of your distribution geography
- Negotiations in F2F format with top managers and decision makers

THIS IS THE ENVIRONMENT WHERE MARKET-CHANGING INNOVATIONS AND SOLUTIONS ARE BORN!
